KEEP IT PERSONAL, MAKE IT *Exceptional*

Our story is infused with heritage, flavor, and a devotion to quality that's been passed down generation to generation, family to family — and now, business to business.

It all began in 1947 as a local market on the artisan-filled streets of Sicily, Italy, where we established a profound love for helping others discover incredible food.

Eventually, we migrated from our homeland to another ambitious, sun-drenched locale: the California coast. Today, we're honored to be a trusted partner bringing mass market and small-batch items that are also natural and organic to chefs, restaurateurs, grocers, shop owners, and foodies throughout the Golden state and beyond.

OUR INTENTIONS ARE PURE AND OUR MISSION IS SIMPLE:

keep it personal, make it exceptional.
